Important terms and conditions for RMF for PVD funds

Submit documents to: TMB Asset Management Co., Ltd.
 Provident Fund Membership Transfer Agent Department
 32nd Floor, 990 Abdulrahim Place, Rama 4 Road, Silom, Bangrak, Bangkok 10500.
 Telephone: 1725

- Account balance transferred to a RMF for PVD fund can no longer be transferred to a provident fund
- Account balance transferred to a RMF for PVD fund must be for the entire amount
- Account balance transferred from a provident fund into a RMF for PVD fund is not considered a new RMF investment; as such, this sum is not eligible for tax benefits. The general requirement to make successive RMF investments every year does not apply in this case.
- Transfer PVD to RMF in order to receive Tax Benefit
- Violation of terms and conditions regarding the transfer of account balance to a RMF for PVD fund, members may not entitle to Tax Benefits
- If the provident fund member reaches the age of 55 and have been a member for at least 5 years, the member shall not receive any additional tax benefits from the transfer of provident fund money into the RMF fund.
- Members who have complied with the holding period requirements and eligible for tax benefits and intends to transfer the balance into an RMF fund, may have a cost that is different from regular funds.
